Candidates interested in joining Qtech Solutions training programs can get started by adopting any of the following methods listed below:

A) Visit the Corporate Website.
  1. **Explore the COURSES TAB:**

  o Navigate to the courses tab and select the desired domain category:

  ▪ **Clinical Research and Trials**

  ▪ **Drug Safety and Pharmacovigilance**

  ▪ **Clinical Data Management**

  ▪ **Data Analytics and Reporting**

2. **Program Selection Criteria:**

o Each domain-specific page presents various programs tailored to:

▪ **Educational Qualifications:** Understand which program aligns with your academic background.

▪ **Major:** Identify programs that fit your field of study.

▪ **Experience Level:** Choose courses designed for your current professional level, whether beginner or advanced.
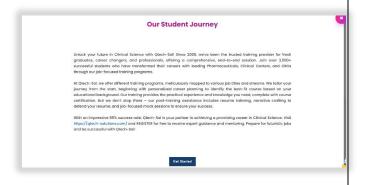

Example:

B) Utilize the Best-Fit and Gap Analysis Tool.

1. **Identify the Right Program:**

o Candidates can visit the "Learn More" page at Gap Analysis and Course Recommendation to access an in-depth gap analysis. This tool helps you evaluate your current skills and educational background.

2. **Gap Analysis Process:**

o Input your information to receive a tailored recommendation for the most suitable program.

o The analysis provides an overview of the recommended program, along with details on scholarships (discounts) and various payment options, such as:

▪ **Full Payment**

▪ **Installment Plans**

3. **Enrollment Steps:**

o After selecting the best-fit program, you can proceed with the LMS Enrollment. Upon completing the enrollment, you'll receive a series of emails guiding you through the process, ensuring smooth course access.

C) Register at Free LMS Membership Signup

1. **Free Membership Sign-Up:**

o Candidates can register for free at [LMS Member Sign-Up](#) and unlock access to additional resources.

2. **Course Categorization:**

o Courses are categorized by the following student profiles:

  ▪ **High Schooler:** Early-stage learners exploring clinical research and related fields.

  ▪ **Recently Graduated:** Fresh graduates seeking a career in clinical research.

  ▪ **Career Changer:** Professionals looking to transition into clinical or related industries.

  ▪ **Clinical Professionals:** Those with prior experience in the field seeking advanced training.

3. **Member Dashboard:**

o Once registered, candidates can access the LMS Member Dashboard, which offers:

  ▪ **Career Pathway Resources:** Information on career progression tailored to each domain category.

  ▪ **Scenario-Based Questions:** Answer a series of multiple-choice scenario questions to receive personalized recommendations based on your background and interests.

D) Enroll by Program and Schedule a One-on-One Meeting with SME at the Program Page

Candidates can enroll for the program directly at respective program pages, if the course has been decided in advance, rather than checking the best-fit pathway,

This form allows you to move forward to learn on tuition and various payment options available and can pay the applicable tuition vis secured payment gateway (United States and Canada Users) or thru UPI method (India Users),

Request a Meeting:

Candidates can schedule a personal meeting with an SME by clicking the "REQUEST MEETING" button available on each program's webpage. You will be redirected to the [Demo Request Page](#) to complete your meeting request.

Meeting Details:

The SME will guide you through:

- Program Selection: Helping you choose the right program based on your category (High Schooler, Graduate, Career Changer, Professional).

- Learning Path: Explaining the learning objectives, course structure, and post-training support offered after course completion.

- Career Path Tailoring: Creating a personalized career pathway based on your education, major, and experience level.

- Job Preparation: Assisting with job application strategies, including:

  o Resume Preparation: Guidance on building an industry-standard resume.

  o Interview Preparation: Crafting narratives for interview discussions and offering mock interview sessions.

  o Job Market Insights: Understanding the job market in your region and exploring relevant opportunities.

  o Job Leads: Helping identify jobs that match your qualifications and providing tips for the application process.

Let's schedule a quick Google Meet meeting for 30 min at your convenience to discuss how we can assist you further. Let us know what time works best for you, or feel free to reply to this email with any specific questions you have.

Meeting Logistics:

Sessions are typically scheduled for 60 minutes, with times available between 8:00 AM and 8:00 PM. Once the request is submitted, you will receive a meeting invitation via email, including instructions on how to join the one-on-one session.
